

National Federation of State High School Associations

INTRODUCING

Policy Debate Quarterly

*Formerly Forensic Quarterly
In Its 95th Year*

The **POLICY DEBATE QUARTERLY** focuses on the affirmative cases, topic terms, counterplans, negative responses, an annotated bibliography and much more regarding the national debate topic.

ANNUAL PUBLICATION IN FOUR ISSUES:

1. Introduces high school debaters and coaches to the topic for the upcoming debate season.
2. Provides a starting place for research with a complete annotated bibliography which includes information and links to newspapers, scholarly journals, online articles, government documents and books.
3. Orients readers toward the affirmative case.
4. Provides overview of the negative approaches to the national high school debate topic.
