

AS EVERYONE KNOWS, ANABOLIC STEROIDS MAKE YOU MORE ATTRACTIVE.

Girls – did you know? Steroids may:

- Give you a severe case of acne
- Give you facial hair
- Give you a case of bad breath
- Give you a deep enough voice to sing baritone in the choir
- Make you look more like a man
- Increase your chances of being childless

Steroids.

The choice you make today can affect you forever.
